

Disappearing Water Feature Basins

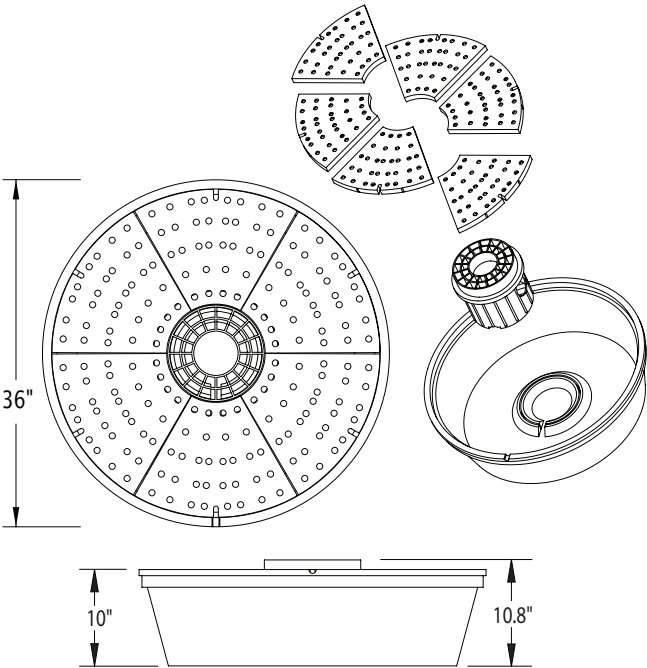

Now Little Giant® carries heavy duty disappearing water feature basins for in-ground installations. Our basins are ideal for smaller applications when you want the soothing sounds of water but are limited on space. Basins sit flush with the ground and the sectioned access plates make maintenance a breeze. Cover your basin with a wide variety of rocks (not included) for a disappearing water effect.

Features/Benefits:

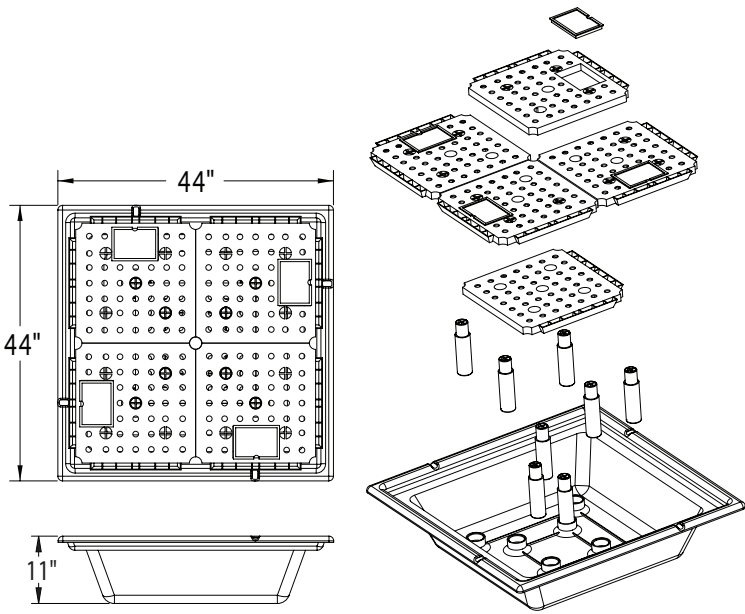

- **Rugged design**
Holds up in adverse weather conditions
- **Easy installation and maintenance**
No grates to cut
- **Holds a wide variety of fountain tops**
Including stone, concrete, pottery, bronze and more
- **Non-toxic**
Safe for aquatic plants, fish and animals
