

Vented Gas Logs

MAJESTIC 

Vented Gas Logs

Adding the beauty and warmth of fire to your existing masonry or wood burning fireplace is easier than ever with the vented gas logs from Majestic. Available in a range of sizes to suit your particular requirements, our vented gas logs are a great alternative to installing a whole new fireplace.

Meticulous attention to detail makes the vented gas logs from Majestic look incredibly realistic and the glowing embers add to their warm ambiance. Add an optional decorative grate or andirons to complete the look and you'll understand why the vented gas logs from Majestic are the natural choice for your home.
