

SYMMONS[®] Lucetta[™]
the smart choice[™]

The perfect blend of classic lines with contemporary flair is reflected in the transitional style of the Symmons Lucetta[™] tub and shower system. Its simple elegance will brighten the look of any homeowner's bath. Every Symmons Lucetta[™] tub and shower system features the legendary Symmons Temptrol[®] Pressure-Balancing mixing valve. Constructed of solid brass, bronze and stainless steel, and featuring a piston that adjusts automatically to instantly and continually equalize or "balance" the hot and cold water pressure as demands are made elsewhere in the plumbing system. Symmons Temptrol[®] puts an end to "Shower Shock" and provides a safe, comfortable shower every time.

Symmons Lucetta[™]
