

SYMMONS® Temptrol® Commercial

the smart choice™

Every Symmons Temptrol® Commercial Series tub and shower system features the legendary Symmons Temptrol® pressure-balancing mixing valve. Constructed of solid brass, bronze and stainless steel, and featuring a piston that adjusts automatically to instantly and continually equalize or “balance” the hot and cold water pressure as demands are made elsewhere in the plumbing system. Symmons Temptrol® puts an end to “Shower Shock” and provides a safe, comfortable shower every time.
