

Glass Vessels are Beauty in the Bath

Powder room, family bath or master suite, bathrooms have assumed a position of prominence in the home. It seems so right to place an object of beauty in the bath to enjoy.

Tempered for strength, designed for your pleasure, the bath series offers the best range of styles imaginable.

Clear Glass Vessel

The Clear Glass Vessel Group expresses a celebration of water in the form of glass. Made of tempered glass, these vessels undergo an 11-step process and go through many gifted hands to create these beautiful works of art. Clear and or frosted, smooth or textured, the Glass Vessel Collection has the perfect appointment for your design.
