Why Comfort Seats...

Fit. Form. Function. Comfort Seats combine aesthetics with innovation, ensuring that they're of the highest quality.

That's one reason we're a leading manufacturer of commercial, residential, hospitality, and multi-family dwelling toilet seats. We're also progressive. We offer more than 200 SKUs, not to mention EZ-Close® seats, adjustable hinges, and a QuickClean® hinge. Many Comfort Seats models are available in multiple colors to match a variety of chinaware color options... You Need It, We got It!

Equally important, Comfort Seats fit all of the most popular toilets, meet all North American ANSI standards, and pass our own uncompromising series of inspections.
