- Power grinding 3/4-HP motor - Quickly hits max speed and high torque so foods are less likely to jam or clog
- Over 3100 RPM - High RPM provides a fast, fine grind. Based on RPM testing of cleared GE and competitive models
- EZ Mount installation - Installation is a breeze with fewer parts and steps
- Drain Boost technology - An angled fin pumps water down with more force to help clear drains and reduce clogs
- - Optional accessory power cord sold separately - model WC12X1002
- - Stainless steel grinding components
- - 34-ounce grind chamber capacity
- - Cold-rolled carbon steel armature shaft material
- - Sink stopper
- - Manual reset overload protector
- - Dishwasher drain connector
- - Stainless steel sink flange
- - 2 level precutter
