### ATTENTION:

This canopy is manufactured with quality materials and is designed to fit over the Docking Station of either the **MowRo RM-18** or the **MowRo RM-24** (Model Specific). Please ensure your Mower model and Canopy model numbers Coordinate before installing. The RM18-Shed/RM24-Shed is intended for storage and protection from damage caused by sun, light rain, tree sap and animal - bird excrement and is not designed to hold weight. Please ensure proper anchoring to maintain structural integrity and wind resistance. See manual for more anchoring details. Proper anchoring is the responsibility of the consumer. This canopy/shelter is not recommended for severe weather conditions. Please read and understand the installation detail, warnings and cautions prior to beginning installation. If you have any questions call the customer service number listed below. Please refer to the warranty card inside this package.

### Danger:

Prior to installation, choose the location of your shelter carefully. Danger: Keep away from electrical wires. Check for underground utility lines, wires, tree roots, or plumbing that may interfere with installation or could result in injury or damage.

### Proper Anchoring and Installation:

PROPER ANCHORING OF THE FRAME IS THE RESPONSIBILITY OF THE CONSUMER. MowRo, by Redback is not responsible for damage to the unit or the contents from acts of nature. Any shelter that is not anchored securely has the potential to fly away causing damage, and is not covered under the warranty. Periodically check the anchors to ensure stability of shelter. MowRo, by Redback cannot be responsible for any shelter that blows away or is damaged by falling debris due to severe weather conditions.

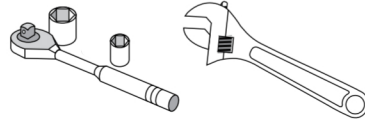

### Replacement Parts, Assembly, Special Orders:

Replacement parts and accessories are available from the factory, including anchoring kits, frame parts, and other accessories. All items are shipped from a US warehouse direct to your door.

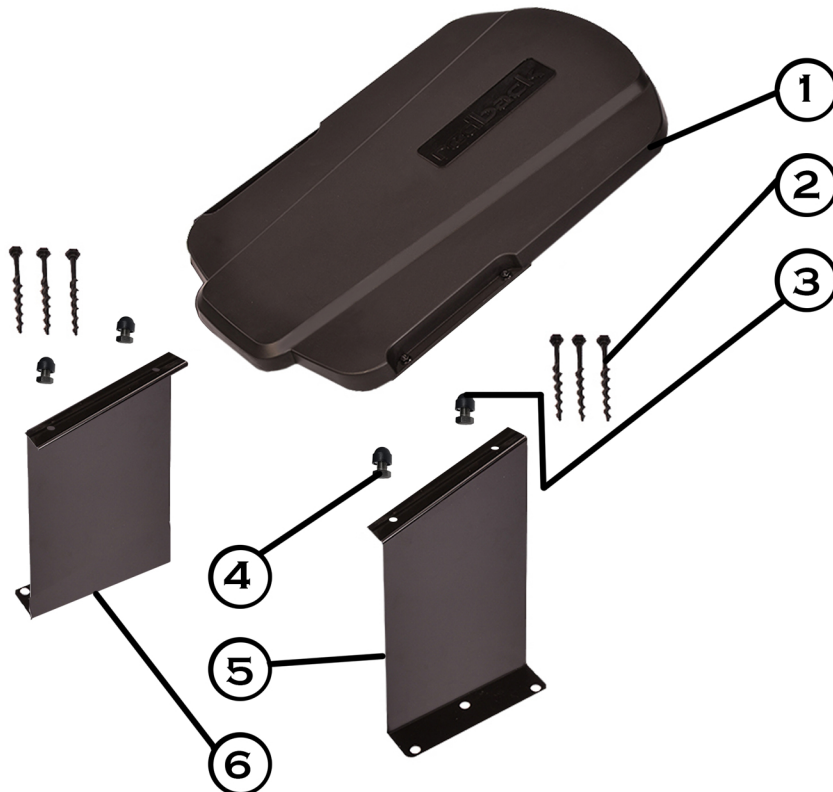

### Warranty:
