

Mounting Bracket

Provides a sturdy method to secure the valve to a stringer and prevents rocking.

Square Plasterguard

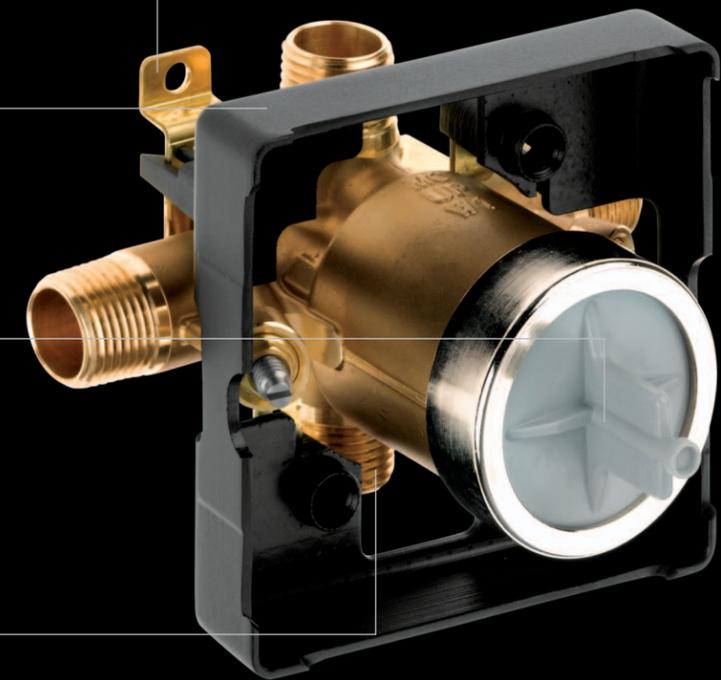

The size of a standard tile allows for simple 90° cuts. Snaps into place with no tools required to remove.

Heat-Resistant Pressure Test Cap

Allows for air or water testing before the valve cartridge is installed up to 300 psi. Easy access for flushing out the system.

Three Connection Types

Provides universal connection options for every type of piping—IPS, PEX and UNIVERSAL.

R10700-UNWS

MultiChoice® Universal.

One rough. Unlimited possibilities.

Exclusive Benefits from MultiChoice Universal

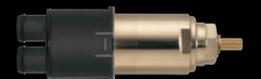

- Eliminates the Wrong Valve in the Wall. Now you don't have to worry about ordering and installing the wrong valve, no matter which tub/shower your customer chooses.
- Flexibility Throughout the Building Process. Changes to the shower can be made at any time in the building process without altering the behind-the-wall plumbing.
- Saves Time and Hassle. Streamlines the whole plumbing and product installation process.
- Temperature Accuracy. More refined temperature limit stop allows you to set temperatures more precisely.

R10300-UNWS MultiChoice Universal Valve Body with Push-Button Diverter
WS—with stops recommended for 'Commercial' applications.

Single-Function Pressure-Balanced Valve Cartridge
Functions with a single control for temperature only.

Dual-Function Thermostatic Valve Cartridge
Keeps water temperature consistent by actually measuring and monitoring the temperature of the water and automatically adjusting the water mix to maintain a more precise water temperature.

Tub and shower

Adjustable Showerhead
This adjustable showerhead allows the user to select their preference between full, massage and combination settings.

Diverter Valve
The diverter valve makes it easy for the user to switch between the showerhead and handshower.

MultiChoice® Universal
Featuring the revolutionary MultiChoice Universal forged body valve.

ADA Slide Bar
When installed according to spec, this stainless steel bar serves as both a slide bar and an ADA-compliant grab bar.

Optional Double Spiral Hose
This 69" hose is ideal for commercial applications.

T13H322-20 R10700-UNWS

- ADD-ON OPTIONS:**
- Quick disconnect for hose
 - Longer slide/grab bar
 - Adjustable volume control

- TUB AND SHOWER**
T13H283 – Trim
R10000-UNWS – Rough-in
- MultiChoice® Universal pressure balance tub and shower
 - H₂Okinetic Technology® showerhead—1.5 gpm
 - Vandal-resistant lever blade handle
 - Escutcheon with non-removable red/blue marking

- SHOWER**
T13H123 – Trim
R10000-UNWS – Rough-in
- MultiChoice Universal pressure balance shower
 - Touch-Clean® 3-setting showerhead—2.0 gpm
 - Vandal-resistant lever blade handle
 - Escutcheon with non-removable red/blue marking

- TUB AND SHOWER**
