#### FEATURES

##### Performance

Sloan's toilet tank system incorporates a high performance Dual Flush valve to ensure an efficient and optimum flushing performance. 3" valve opening offers better waste removal and powerfully clears the bowl.

##### Colors and Accessories

Available in the color White with polished chrome top mount actuator. For additional information refer to our price book.

##### Functional

The tank valve provides a high efficient 1.6/1.1 gpf. Durable construction provides non-corrosive dependability. Adjustment screw allows water level adjustment for individual preference.

##### Economical

High Efficiency Toilet dual flush tank system provides additional savings in water usage. Reduces maintenance and operation costs. Designed for commercial use and also ideal for residential.

##### Warranty

3 year (limited)

#### Product Specification
