# GERBER GRAVITY TOILETS

## ONE-FLUSH PERFORMANCE

TOILET-GRAVITY

TOILET-GRAVITY

All Maxwell®, Avalanche™, and Viper™ toilets are also offered in high efficiency, WaterSense certified models which use 20% less water while still providing one-flush performance!

With a heritage of excellence in design and a total commitment to innovation, Gerber's selection of toilets provides classic good looks and a full range of options for flushing power, quiet operation, water conservation, and ADA compliance.

For a DVD demonstrating the superior flushing performance of our toilets, contact your local Gerber representative.

DEFIES GRAVITY LIKE NO OTHER

- Exceptional Performance... Every Time!
- Best In Class Components
- 10 Year Warranty\*

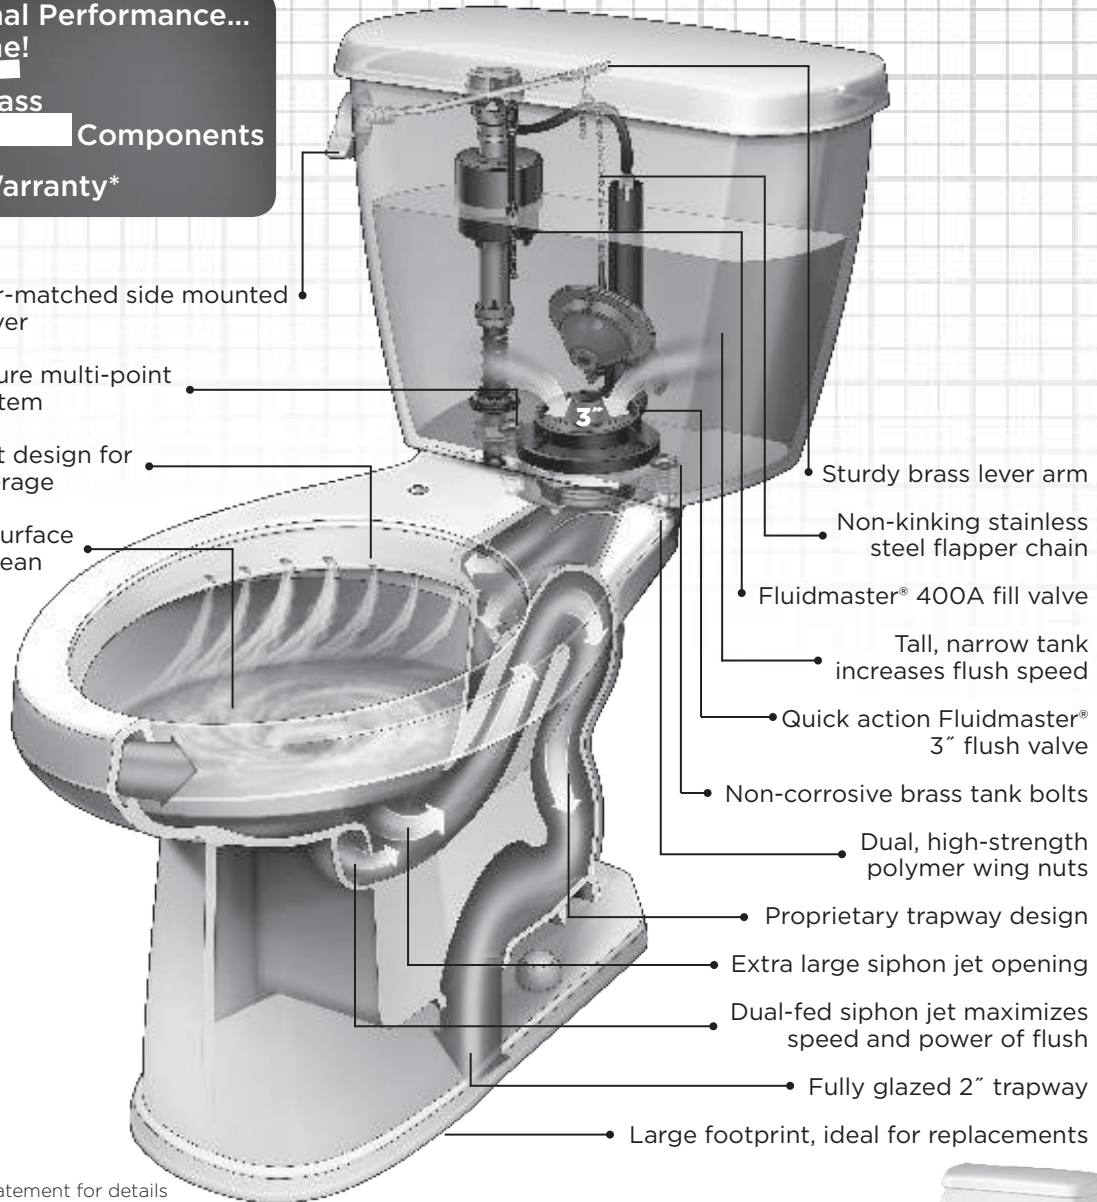

Durable, color-matched side mounted metal tank lever

Exclusive secure multi-point mounting system

Unique rim jet design for full rinse coverage

Large water surface keeps bowl clean

**10**  
YEAR  
WARRANTY

Sturdy brass lever arm

Non-kinking stainless steel flapper chain

Fluidmaster® 400A fill valve

Tall, narrow tank increases flush speed

Quick action Fluidmaster® 3" flush valve

Non-corrosive brass tank bolts

Dual, high-strength polymer wing nuts

Proprietary trapway design

Extra large siphon jet opening

Dual-fed siphon jet maximizes speed and power of flush

Fully glazed 2" trapway

Large footprint, ideal for replacements

\* See warranty statement for details

## Product Testimonial

Steve Rudesill from Alpine Plumbing, currently installing Gerber products in hundreds of units in several commercial and high-rise projects throughout Wisconsin. *"We're proud to put Gerber into these sites,"* says Steve. *"We know the property managers and ultimately the end-users will appreciate the quality and reliability of Gerber as much as we do."*

## UPGRADE TO HIGH PERFORMANCE

- The Professional's Choice
- Set-it and Forget-it Performance
- Trusted  400A Fill Valve

Durable, color-matched metal tank lever

Exclusive secure multi-point mounting system

Unique rim jet design for full rinse coverage

Large water surface keeps bowl clean

Sturdy brass lever arm

Non-kinking flapper chain

Fluidmaster® 400A fill valve

Tall, narrow tank increases flush speed

Quick action Fluidmaster® 3" flush valve

Non-corrosive brass tank bolts

Dual, high-strength polymer wing nuts

Fully glazed 2" trapway

Dual-fed siphon jet maximizes speed and power of flush

### Product Testimonial

*"We only stock Gerber toilets," said Rick Kogge, owner of Kogge Plumbing, Heating and A/C. "The Viper is definitely our number one toilet; it's an excellent flush for the money."*

*"Viper toilets will offer more than double the flushing capacity of the industry standard."*

# MAXWELL®

THE STARTING LINE OF PERFORMANCE

- Dual-Fed Siphon Jet
- Good, Consistent Performance
- Good Value

Exclusive secure multi-point mounting system

Large water surface keeps bowl clean

Non-kinking flapper chain

Non-corrosive brass tank bolts

Dual, high-strength polymer wing nuts

Dual-fed siphon jet maximizes speed and power of flush

Fully glazed 2" trapway

## Product Testimonial

Steve Rudesill from Alpine Plumbing, Milwaukee, Wisconsin, says, *"The Maxwell toilets were a perfect choice for this project. Compared to older models, they conserve thousands of gallons of water over the course of a year, and the residents won't ever have to worry about performance. The flushing mechanisms are reliable, the bowl cleans well and it's friendly on your water bill. All this for the end user, and we were able to offer it to Cardinal at a great price point."*
