- T-Bar mount (920 TFG) (2" filter capacity)
 Finishes:

 Driftwood Tan

Designer Colors:

- | | |
|--|---------------------------------------|
| <input type="checkbox"/> Navajo White | <input type="checkbox"/> Coffee Tan |
| <input type="checkbox"/> Camaro Silver | <input type="checkbox"/> Almond |
| <input type="checkbox"/> Bronze | <input type="checkbox"/> Black Velvet |
| | <input type="checkbox"/> Vanilla |

- Optional hinge and latch location

NOTE: Filter grilles are manufactured 3/16" undersized nominal duct outside dimension for ease of installation. Air filter should be 1/4" to 1/2" undersize. Verify with air filter manufacturer for air filter specification.

Shoemaker filter grilles allow for installation of larger thickness filters which can reduce pressure drop on the overall system, improving air flow through the heat exchanger and allowing more time between filter changes.
